

# Managing the modern workforce

WHITEHORSE  
BUSINESS GROUP INC

The modern workforce is currently undergoing a significant evolution, understanding each other is vital for a healthy workplace.

Young professionals are shaking off old trends and driving their careers based on what fits their personality, values, and lifestyle.

About our facilitator:

## Louisa Keck

Louisa is a Senior Facilitator and the #Ennials Stream Lead at Wake by Reach, a social enterprise of the Reach Foundation. Lou spends her time at Wake delivering engaging keynotes, experiential workshops and personal development experiences to organisations including Deloitte, Vicinity and Macquarie. She leads their #ennials offering which are all the things they do to help workplaces grapple with the impact of the millennial (and Gen Z) generation at work.
